In the session, Quentin will outline:

- Why prices in iron-ore are sitting around five-year highs;
- Why major steel manufacturers are keeping tabs on Hawsons Supergrade® product;
- Plans to advance the Hawsons Iron Project to production and deliver shareholder returns.

The briefing will be live and interactive where investors will have the opportunity to ask Quentin questions directly and can be attended via an internet connection.

The session is free to attend, and investors can do so using a computer or smartphone connected to the internet.

The webcast will be hosted by Reach Markets so should you require any technical assistance, please contact them on 03 8080 5795.
