CORPORATE GOVERNANCE STATEMENT

The Board of Directors of Hawsons Iron Limited (HIO) aims to achieve appropriate standards of corporate governance and has established corporate governance policies and procedures, where practicable, consistent with the ASX Corporate Governance Council's *'Corporate Governance Principles and Recommendation – 4th Edition'* (ASX Recommendations), which were published in February 2019.

In ensuring appropriate standard of ethical behaviour and accountability, the Board has included in its corporate governance policies those matters contained in the ASX Recommendations where applicable. However, the Board also recognises that full adoption of the above ASX Recommendations may not be practical or provide the optimal result given the particular circumstances and structure of the Company. Nevertheless, the Board is committed to ensuring that appropriate Corporate Governance practices are in place for the proper direction and management of the Company. This statement outlines the main Corporate Governance practices of the Company disclosed under the ASX Recommendations, including those that comply with best practice and which, unless otherwise stated, were in place during the whole of the period to the date of this statement.

Principle 1

Lay solid foundations for management and oversight

1.1 Roles and Responsibilities of the Board – followed

The Board is governed by the *Corporations Act 2001*, its formal constitution and by the ASX Listing Rules. The Board's primary role is to set policy regarding the affairs of the Company for the protection and enhancement of long-term Shareholder value.

The Board takes responsibility for the overall corporate governance of the Company including its strategic direction, management goal setting and monitoring, internal control, risk management and financial reporting. In so doing, the Board acts in accordance with the Board Charter, which is published on the Company's website.

1.2 Director appointment – followed

HIO considers the character, experience and skillset as well as interests and associations of potential candidates for appointment to the Board and will conduct appropriate checks to verify the suitability of the candidate, prior to their election. HIO has appropriate procedures in place to ensure that material information relevant to a decision to elect or re-elect a Director, is disclosed in the notice of meeting provided to shareholders.

1.3 Written agreements of appointment – followed

The roles and responsibilities of Directors have been formalised in letters of appointment, which each Director has entered into. The letters of appointment specify the term of appointment, time commitment envisaged, expectations in relation to committee work or any other special duties attaching to the position, reporting lines, remuneration arrangements, disclosure obligations in relation to personal interests, confidentiality obligations, and insurance and indemnity entitlements.

1.4 Company Secretary – followed

The Company Secretary is accountable directly to the Board through the Chairman on all matters to do with the proper functioning of the Board. All Directors have access to the Company Secretary.

The appointment or removal of the Company Secretary is a matter for the Board.

1.5 Diversity policy – partially followed

The Company is committed to creating a diverse working environment and culture and has a written diversity policy, published on the Company's website.

However, given the size of the Company and scale of its operations, the Company is yet to establish measurable objectives for achieving gender diversity at this time. Further, as the Company has not established measurable objectives for achieving gender diversity, the Company has not reported on progress towards achieving them.

1.6 Board Reviews – not followed

The Remuneration Committee meets at least annually, and the recommendations are made in line with the Company's present circumstances and goals to ensure maximum shareholder benefits from the attraction and retention of a high-quality Board and senior management team.

The Board recognises that as a result of the Company's size the assessment of the Board's overall performance and its own succession plan is conducted on an informal basis. Whilst this is at variance with the ASX Recommendations, the Directors consider that at the date of this report an appropriate and adequate process for the evaluation of Directors is in place. A more formal process of Board assessment will be considered in the future as the Company develops.

1.7 Management Reviews – followed

The Board evaluates the performance of the Managing Director, Chief Financial Officer and Company Secretary on a regular basis and encourages continuing professional development. A review is conducted in association with the annual audit.

The Company provides details of each Director, such as their skills, experience and expertise relevant to their position, in the Directors' Report in the Annual Report and also provides these details on its website.

2.3 Details of Independent Directors – followed

The names of the Directors of the Company and terms in office at the date of this Statement together with their skills, experience, expertise and financial interests in the Company are set out in the Directors' Report section of each Annual Report.

The independent Directors on the Board are Paul Cholakos, Jeremy Kirkwood and Tony McGrady.

The Company has had no relationships with any of the independent Directors which the Company believes would compromise the independence of these Directors.

2.4 Composition of the Board – partially followed

The Company's constitution and the Corporations Act 2001 specify that the number of Directors must be at least three. The Board may at any time appoint a Director to fill a casual vacancy. Directors appointed by the Board are subject to election by Shareholders at the following annual general meeting and thereafter Directors (other than the Managing Director) are subject to re-election at least every three years. The tenure for Executive Directors is linked to their holding of executive office.

The Company as at the date of this statement has three independent Non-executive Directors, and one Managing Director/Interim Chairman.

2.5 The Chairman – partially followed

The Chairman for most of the financial year was an independent Director. From 16 April 2023, the roles of Chairman of the Board and Chief Executive Officer were held by Mr Bryan Granzien who was responsible for the day-to-day management of the Company along with Board responsibilities. It is recommended by the ASX that these roles not be exercised by the same individual.

Whilst this is at variance with the ASX Recommendations, the Directors considered that structure of the Board was appropriate to carry out the Company's immediate plans; however, the Company plans to appoint a Non-executive Chairman in the near future.
